1 to fix different seasons for different parts of the state;

2 C. establish bag limits covering all kinds of game
3 animals, game birds and game fish and the numbers thereof which
4 may be killed or taken by any one person during any one day or
5 during any one open season;

6 D. authorize or prohibit the killing or taking of
7 any game animals, game birds or game fish of any kind or sex;

8 E. prescribe the manner, methods and devices which
9 may be used in hunting, taking or killing game animals, game
10 birds and game fish; [~~and~~]

11 F. prescribe rules and regulations to prohibit any
12 vehicle or vehicles used in transporting persons engaged in
13 hunting, taking or killing game animals, game birds and game
14 fish from leaving established roadways; and

15 G. appoint one or more advisory committees to
16 furnish advice, evaluations and recommendations for wildlife
17 management projects utilizing revenue derived from the sale of
18 public land management stamps. The advisory committees shall
19 be created pursuant to the procedures of Section 9-1-9 NMSA
20 1978, provided that the restrictions on the life of advisory
21 committees contained in Subsection F of that section shall not
22 be applicable."
